back to school

AUGUST

NO PRESCHOOL PROGRAM THIS MONTH!

We apologize for any
inconvenience and
hope to see you in
September!

MOBILITY AIDS

Thanks to a generous donation from a local family we now have mobility aids. We have one adult pair of crutches and one youth pair. We also have a folding walker. The crutches are both adjustable and so is the walker. You may check these out from the library. You must have an active library card.

We hate to see you waste money on costly items that you won't need once your mobility issues have healed. This is just one of the many ways that your local library goes beyond books to serve the community.

CAKE PANS

You may now check these cake pans out from the library! You must have an active library card. This is just one of the many ways that your local library goes beyond books to serve the community.

INFORMATION

LIBRARY CARDS

Many Patrons will agree that their library card is one of the most important in their wallet. Getting a card is easy. Simply present a photo I.D. and proof of address. People living within the Salem city limits pay for library privileges through real estate and personal property taxes. So, there is no charge to sign-up. Because folks living outside the city limits do not pay these taxes, they pay the library directly for the same privileges. The cost is \$25.00 for a six month membership or \$50.00 for an annual membership.

We also want to stress that anyone is allowed to use the library. The only reason you need a library card is to check out items. Even if you do not have a card, you are more than welcome to visit the library; find a place to read a book off the shelves; participate in programs; and so much more! There is also a paperback trade program where you can bring in pocket-sized paperbacks and exchange them for select pocket-sized paperbacks in our sale room. There is also always a 50¢ book sale. Discarded magazines are available and are free to take.

Please feel free to reach out to us at 573-729-4331 or visit us at the library. Library staff will be more than happy to answer any questions you may have!

MISSOURI EVERGREEN

Salem Public Library is part of the Missouri Evergreen consortium. This means that we share resources with over 50 other libraries throughout the state. So, if there is something that you wish to read, watch, or listen to that is not part of Salem's collection, odds are that it can be borrowed from one of these other libraries. A request, or hold, may be placed for that item. It is then delivered to Salem Public Library via courier at no cost to you. You may be called, texted, or emailed when the item is available for circulation.

The Libby app is the easiest way to get started with digital books, audiobooks, and magazines from your public library!

- 1** Install the Libby app from the app store on your Android or IOS (iPhone/iPad/iPod touch) device. Or, visit libbyapp.com in your Chrome, Firefox, Safari, or Edge browser.
- 2** In Libby, follow the prompts to find your library and sign in with a valid card number.
- 3** Browse your library's collection and borrow a title.
- 4** Borrowed titles appear on your *Shelf* and download to the app automatically when you're on WI-FI, so you can read them when you're offline.
 - Tap **Read With...** to choose whether you'd like to open a book in Kindle or Libby.
 - Tap **Open In Libby, Open Magazine, or Open Audiobook** to start reading or listening in the app.
 - Tap **Manage Loan** to see options like **Renew** and **Return**.

REVIEW

AUGUST BOOK REVIEW

BY KAREN GOATKEEPER

Summer rules. Spring flowers have become fruit so the August moon is the fruit moon. Some call it the sturgeon, red, green corn or grain moon. I like fruit, so I decided to try one of JoAnne Fluke's murder mysteries: the "Blueberry Muffin Murder".

One of the reasons to read this book and her other mysteries is to try some of her recipes. This book had six delicious sounding cookie recipes and an interesting take on a grilled cheese sandwich. The mystery is a typical cozy one.

This is part, not the first, of a series set in Lake Eden with Hannah as the amateur detective. Even so, it wasn't hard to place the different characters. Clues are dropped into the busy preparations and events of a Winter Carnival. I did decide on the guilty person before the end of the book, but still enjoyed reading it.

Fruit shows up in picture books too. Jody Shapiro's "Up, Up, Up! It's Apple Picking Time", Zoe Hall's "The Apple Pie Tree" and Eve Bunting's "One Green Apple" can be found on Salem's library shelves. Nelly Buche's "Dog vs. Strawberry" and Molly Bang's "The Grey Lady and the Strawberry Snatcher" must be requested through Evergreen.

Karen GoatKeeper is a local author with several books on library shelves including "Hopes, Dreams and Reality" which looks at the divide between rural and urban living.

All opinions, views, and ideas expressed are solely those of the reviewer.

"Newly available for circulation are America's True Heroes and America's True Heroes Volume II by Nicholas Rider. Mr. Rider was only 14 when he was inspired to write the first volume. After hearing his grandfather's memories of service during World War II, Mr. Rider interviewed several other veterans. Their firsthand accounts fill the pages of that first book which was published in 2006. After Mr. Rider and his book were featured in the November 2007 issue of Guideposts magazine, he received hundreds of letters sharing stories of brave men and women who had also served our country. In 2008, those accounts were published in a second volume. Two are about former residents of Salem! Raymond Maxfield, husband of Buena and father of Dawn, served in the Army during World War I. Robert Moore, son of Myron and Flossie and husband of Dawn Maxfield, served in the Army Air Force during the second World War. It is Robert and Dawn Moore's daughter, Sally, who thoughtfully donated America's True Heroes and America's True Heroes Volume II to our library."
